6 this chapter to the area in the district. The district is created
7 to supplement and not to supplant city and county services provided
8 in the district.

10 The district is created to serve a public use and benefit.

14 Article III, and Section 59, Article XVI, Texas Constitution, and
15 other powers granted under this chapter.

3 the district territory as a residential community and business
4 center; and

5 (3) promote the health, safety, welfare, and enjoyment
6 of the public by providing pedestrian ways and by landscaping and
7 developing certain areas in the district, which are necessary for
8 the restoration, preservation, and enhancement of scenic beauty.

9 (e) Pedestrian ways along or across a street, whether at
10 grade or above or below the surface, and street lighting, street
11 landscaping, vehicle parking, and street art objects are parts of
12 and necessary components of a street and are considered to be an
13 improvement project that includes a street or road improvement.

14 (f) The district will not act as the agent or
15 instrumentality of any private interest even though the district
16 will benefit many private interests as well as the public.

17 Sec. 3911.006. INITIAL DISTRICT TERRITORY. (a) The
18 district is initially composed of the territory described by
19 Section 2 of the Act enacting this chapter.

20 (b) A mistake in the field notes of the district contained
21 in Section 2 of the Act enacting this chapter or in copying the
22 field notes in the legislative process does not in any way affect:

23 (1) the district's organization, existence, or

25 (2) the district's right to contract, including the
26 right to issue any type of bond or other obligation for a purpose

16 in the tax increment fund to the district to be used by the district
17 for the purposes permitted for money granted to a corporation under
